

Our next meeting is Sept 19 on Zoom at 4:30 p.m. <https://us02web.zoom.us/j/82856731000>.

Chara from the Preschool Promise will discuss how preschoolers are doing with social/emotional/mental health issues, and we will update you on the progress made with the Education Awards, an upcoming World Cafe conversation about transforming education, and more discussion about what we need to learn as we try to determine our SEL action focus.

BTW, Kim Haverkos has confirmed that she will bring a few Thomas Moore students to the October meeting to discuss where the education system has left them at the end of high school (in a word, nihilistic, according to Kim's experience).
