

**Education Panel Meeting Agenda
November 21, 2022**

Our next Panel meeting is Monday at 4:30 p.m. on Zoom
(ALL MEETINGS USE THE SAME ZOOM LINK):

Our speaker is Tammie Larkins, the director of CState Accelerate, a Cincinnati State program providing low-income and other challenged students with intensive professional and community support. She will discuss the social, emotional, and mental health challenges her students face, and what helps them stay in school and complete their degree.

We will also begin crafting our "change narrative" for how education can better support student and teacher mental health.
